

Comparison Guidelines:

Description:

We have categorized the health policy to simplify the comparison based on their constraints.

Policy categories are Mediclaim policy, Top-up Policy, Senior Citizen Policy, Critical Illness Policy, Hospital Cash Policy, and Special/Other Policy.

So Health policies are compared based on their type, policy category, sum insured, age, relationship availability.

We will enhance the comparison based on policy features, add-on covers, etc in the upcoming versions. The basic version is available now. Please check it out, and you could write feedback/suggestions to us at support@agentaux.com. We would love to hear from you!

Features:

- * We can edit selected policy for comparison
- * We can share the comparison policy quotation.

Please refer to the following steps to compare policies on agentAUX.

The comparison option is available on the summary page.

Steps:

Step 1: Calculate the policy premium as usual, then go to summary page.

Step 2: On Summary Page, Comparison Button is available on bottom of the page. Click on it.

Step 3: It navigates to policy list to select policies to compare. Minimum 1 and Maximum 3 policies are allowed now.

policies and Please choose policies like below.

Step 4: Click “COMPARE” button on bottom page to start. Then it shows the policies details like below.

The options on comparison page:

1. You can view short overview by clicking on collapse icon on each card for a specific policy.

2. You can edit a specific policy by clicking on “Edit Policy” on comparison. It navigates to premium calculator.

We can save the edited changes only on edited policy or all the policies.

1. Apply to this policy only

2. Apply to all policies - edit platinum policy

3. We can share the comparison policy quotation.
