

## Favourite Feature Guidelines

## Description:

You can now mark Company and as well as Policies as Favourite ( $\star$ ), which would stay at the top in the Dashboard for ease to access.

## Features:

- Easy to access the frequently used company instead of searching the long list.
- You can mark one or more policies as Favourite same as company.
- No need to do search or manually find the company or policy by scrolling.
- You can mark as Favourite and as well as unmark the Favourite a company or policy as per wish.
- Application would display Favourite Company or Policy section wise Health, PA, etc.

Steps to use - favourite feature on agentAUX Application

**Step 1:** Select the Star icon  $\star$  to mark a company as Favorite  $\star$ .

Step 2: Similarly, Select the Star icon  $\star$  to mark a Policy as Favorite  $\star$ .

(Refer the below image)

Step 3: You can mark 10 Companies (maximum) as favourite company.

Step 4: You can mark 20 Policies (maximum) as favourite policies.

**Step 5**: Now you can switch to Favourite company or policies by clicking Favourite button **Favourite** at the top.

**Step 6**: You can unselect the Favourite icon **\***, to remove the Favourite Company or Policy.
